

## Ost-West Wien 2022

Vienna, April 13, 2022

Dear congress participants!

**As announced, we are sending you the program for the Congress East-West Vienna 2022 as an attachment to this message.**

Please note the following points:

- **The congress will be the "House of Anthroposophy" Tilgnerstrasse 3, 1040 Vienna**
- **Please confirm until May 5, 2022 by e-mail to: [buero@ost-west](mailto:buero@ost-west) your participation once more if you want to come to Vienna after having taken note of the specific program of the congress!**
- Please include your bank account number with the confirmation of your participation. If some money has to be transferred back, you make our work a lot easier!
- If you are not going to take part in the congress and would like a refund of the participation fee you have already paid, please inform us by e-mail as well.
- **Participants who do not respond at all are excluded from further correspondence.**
- The conference fee is reduced from the originally planned € 220 to € 100. **The sum of 100 € therefore already corresponds to the entire conference fee.** The reduction can be explained by the fact that no external rental costs have to be borne when the event is held in the House of Anthroposophy.
- Participants who have already paid € 220 per ticket should contact [buero@ost-west.wien](mailto:buero@ost-west.wien) separately in order to have the difference refunded.

**Please be assured that we are very happy to receive donations of any amount to the congress account!**

• We can neither organize the accommodation nor the catering! Only the coffee/tea breaks in the morning and afternoon are included in the course of the conference. We will send you a list of cheap hotels in a separate appendix.

• **The lectures at the congress will probably be made freely available as video recordings at [www.ost-west.wien](http://www.ost-west.wien).**

• If the number of participants actually registered by **May 5, 2022** exceeds the space available at the House of Anthroposophy, we will switch to one of the large Waldorf schools in Vienna. The location of the conference can be found on the participation cards.

- **You will receive your entry tickets by May 20<sup>th</sup>, 2022 at the latest as a PDF file. Please print out these cards and bring them with you to the congress as proof of your payment.**

- We will not implement public access restrictions beyond the well-known 3G regulation. In the event of a compulsion in this regard from June 2022, the event will also be finally canceled at short notice. We can then only pay for the costs incurred by the requested speakers and artists up to that point. The remainder after deduction of this sum can be returned to the participants.

With warm greetings for a Happy Easter!
